Foreword

Day 1: Weds 24th October - Day 1: Militaria, Medals, Swords, Bayonets Ephemera, Antiques & Bygones.

Welcome to our October 2023 militaria auction. There are several good collections this time, with medals including Victorian, Military Crosses, and a fine group to Sir Douglas Lloyd Savory (French interpreter for Sir Winston Churchill during WWII.)

We also have collections of bayonets and swords, with scarce examples of both. Finally, we have military badges and a good range of other militaria.

I hope you will find some items for your collections, and our next militaria sale will be March 2024.

Best wishes

David W James
