Foreword

Day 2: 602 lots mint and boxed Hornby, Bachman, and Model Railways

Welcome to our auction of mostly Mint & Boxed Hornby, Bachman, and various other makes.

At 600+ lots with more than 1000 items this represents one of the largest consignments we have handled in my 50+ years of auctioneering.

These lots are derived from the estate of a gentleman who has preserved the collection with care, and the vast majority are unopened. I am sure to the Hornby dealer or collector this is as wide a range as you can imagine, with many bargains included!

Good luck – this promises to be a very busy sale.

Kind regards

David W James
