Foreword

Welcome to our December auction held over two days (11th & 12th) with a good range of banknotes and cheques following our successful auction in October.

The demand for early cheques has been growing and banknotes are always popular. The second day follows with film posters, a good range of ephemera, book, autographic, cigarette cards & numerous antiques.

A good mixed sale to end the year!

It just remains to wish you all a very happy Christmas and New year from all the hard-working team here in Norfolk.

Kind regards

David W James
