Foreword

Here we have gold coins, British & foreign coins, and a wide range of mixed lots consigned by various charities. World banknotes and cheques follow with some scarcer items. Day two is another stamp and postal history auction.

All these categories are our main bread and butter - specialised sales to which, we have, recently added sporting memorabilia. This is the strongest market currently, but not of greater importance than our traditional business.

We remain serious auctioneers with more than 50 years of experience!

Good luck with your bids.
Kind regards

David W James

Viewing of Auction Lots and Attendance on the day
