# **Foreword**

Welcome to our two-day auction for May – 855 lots in total!

The stamp and postal history day 1 includes a good collection of Indian Feudatory States which I hope will fill some gaps! Good ranges of China and Germany, Japan and Newfoundland, New Zealand, also feature in the foreign sale.

We have two further stamp and postal history auctions in preparation, with Great Britain, Commonwealth and foreign.

Antiques, bygones, advertising and ephemera, toys and books make up day 2 with a good range of Guinness advertisements, Hornby and other toys, music with records, several scarce.

The next auction of similar lots will be held in June.

Good luck with all your bids, viewing for this auction is by appointment.

Kind regards

*David W James*
