## **Foreword**

**Our last auction attracted a record number of registered bidders on The Saleroom.com and Easyliveauction.com.**

**The reason for this increase online across all collection areas is difficult to work out given the uncertain chaotic state of the world in general! We just have to be grateful and hope that it lasts.**

**This auction has good Great Britain with Penny Blacks and mint Victoria on the first day, followed with a second day of 500 lots with worldwide ranges including goof postal history.**

**Good luck with all your bids – collections purchased! Also, coins, sovereigns, medals etc., etc.**

**Kind regards**

*David W James*
